Restaurant Training Programs. We are the hospitality industry leader in employee learning and validation. Our ability to create design implement holistic e-learning and manual type training programs that directly impact the employee and guest in a fun down to earth learning environment that drives guest repeatability and employee retention. All Manuals TimeForge: Labor Management, Scheduling, and Attendance. Managing the work force at restaurants, retail stores, and other businesses with part-time employees will sap manager time, and drain valuable profits from the business. I have spent most of my restaurant career working in corporate restaurants where the notion of a shift drink was unthinkable. In fact, my first exposure to the term was in a restaurant management training manual where it was explained that providing shift drinks was expressly prohibited. An Affordable Solution. Other restaurant software packages cost thousands of dollars. To purchase Business Plus Accounting Restaurant Professional you pay only a materials cost of \$70.
