

# Download Evan Moor Daily Word Problems

My daughter is in second grade but she is pretty advanced in math and I wanted her to get extra practice at home (I am a math teacher). This is a great book for practicing word problems which are a challenge for most kids. Our son used to freeze in panic when confronted with a WP. We used Daily Word Problems all summer to keep our student thinking and learning for a few minutes each day. On this site you can. Find out how the activities in your Evan-Moor materials correlate to your state standards. View correlations on your computer screen, print them, and search for specific activities or standards. Hi, We just had a math teachers meeting and talked about this very thing. I teach first but we all agreed that one of the best ways to deal with word problems is ...
