Asked by Myschell350 Nov 01, 2014 at 06:38 PM about the 2005 Chrysler PT Cruiser Touring Wagon FWD . Question type: Maintenance & Repair
The PT Cruiser loses its convertible body style for 2009, leaving just the 4-door wagon in LX, Touring and Limited trims. A 2.4L 4-cylinder engine comes in both 150-horsepower naturally aspirated and 180-horsepower turbocharged versions.
2002 PT Cruiser Still a hot seller in its second season, the PT Cruiser got newly optional flame accent decals for the hood and front fenders. Base, Touring and Limited Editions were offered.
